

CHURCH OF THE ASSUMPTION
61 NORTH CLIFF STREET
ANSONIA, CT 06401

Dear Parishioners,

Since the Feast of the Assumption in 1997, I have had the distinct privilege of being Music Director/Organist of this great parish and to be guardian of this magnificent organ.

It gives me solace knowing, or at least hoping, that my playing brings joy to those who come to worship and pray, comforts those who mourn, and perhaps opens a door to students who see and hear the organ for the first time.

It is my hope that whatever the future holds, the people of the Church of the Assumption will always treasure this instrument and hold in high esteem its rightful place in music history and the American arts.

Tours and demonstrations of the organ for parishioners and other friends can be made directly with me. This is an excellent way to learn about the organ firsthand, as well as, perhaps, entertain out-of-town visitors. No one forgets a visit to the organ loft at Assumption Church!

Sincerely,

Anthony J. Burke, M.M.
